Asking the right questions in business development meetings

Once you've taken stock of all the work being done by your team, the next logical step is to examine the importance of the work being done. This serves two strategic purposes.

Being a Strategic Leader Is About Asking the Right Questions

Clarifying questions help us better understand what has been said. In many conversations, people speak past one another. Asking clarifying questions can help uncover the real intent behind what is ...

Relearning the Art of Asking Questions - hbr.org

A question is an utterance which typically functions as a request for information. Questions can thus be understood as a kind of illocutionary act in the field of pragmatics or as special kinds of propositions in frameworks of formal semantics such as alternative semantics or inquisitive semantics.
